

We are looking for someone with a learning disability to join our Board of Directors on a voluntary basis.

**Do you have experience of how people with a learning disability are supported in their home or in the community?
Are you keen to speak up about people's rights and interests? If so, this would be a good role for you.**

The Role

We ask that you are available for 8 days per year.

You would be expected to attend 6 board meetings per year, and spend some time preparing for each meeting.

The role is voluntary but we will pay reasonable travel expenses.

As a member of our board you will be responsible for helping make decisions effecting the 200 people, we support and the 450 people we employ.

Benefits to you

We believe this is a great opportunity to help make a difference to people's lives.

It will also give you valuable experience of working with a senior group of people, leading a great company.

About Thera East Anglia

We are part of the Thera Group and are regulated by The Care Quality Commission.

We support 200 adults with a learning disability, both in their own homes and in the community.

Our Vision

Thera will show that people with a learning disability can be leaders in society.

Thera will be controlled by people with a learning disability.

People supported by Thera can say how their Thera company is directed and managed.

People with a learning disability will design the support they want from Thera.

Thera will respect the rights and wishes of people at work, at home and in the community.

People with a learning disability will check the quality of support from their Thera company.

Thera Group will be led by a charity.
