Worktrain Greenwich is delivered in partnership with Unity Works, Advocacy in Greenwich, GLLaB and the Royal Borough of Greenwich

Unity Works is a charity that supports people with a learning disability to gain skills, achieve qualifications and secure jobs, so they can reach their full potential.

We believe that everyone can work and has the right to enjoy all the financial, social and health benefits that result from being in meaningful employment. Our innovative, person centred services allow people with a learning disability to grow and thrive in the pathway of their choice.
