

# Information about the Covid-19 (Coronavirus) vaccination programme

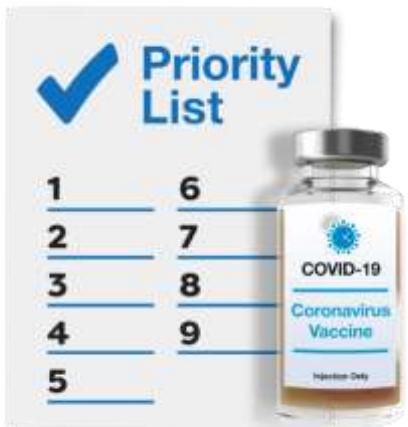

This is **not** an appointment letter but it has **important** and helpful information so please **keep it safe**

 <input type="checkbox"/>	The Covid-19 vaccination programme is the <b>biggest</b> ever done by the NHS
 <input type="checkbox"/>	It will take a <b>long time</b> to complete it ...
 <input type="checkbox"/>	... but we have made a very <b>good start</b>  We are working <b>really hard</b> to get the <b>jab (vaccination)</b> to everyone who is most at risk <b>as soon as possible</b>
 <input type="checkbox"/>	We know you might still be waiting for an appointment for your <b>jab BUT</b> we <b>haven't forgotten you</b>

	<p>Please <b>DO NOT</b> contact your GP (doctor) to ask for an appointment for the Coronavirus jab</p>
	<p>It might take <b>a few weeks</b> before we are able to contact everyone</p>
	<p>Please <b>be patient</b> because the NHS is <b>very busy</b> at the moment</p>
	<p>This letter has <b>information</b> about:</p> <ul style="list-style-type: none"> <li>■ <b>How and when</b> you will get an appointment for your jab</li> <li>■ <b>Where</b> you will have to go for your jab</li> <li>■ <b>What do to</b> when you go for your appointment</li> <li>■ Information about emails and texts that say they are from the NHS but are not (<b>scams</b>)</li> <li>■ Information about the <b>first (1<sup>st</sup>)</b> and <b>second (2<sup>nd</sup>) doses</b> of the vaccine</li> </ul>

## How and when you will get an appointment for your jab

	<p>Your <b>GP (doctor) and the NHS</b> will <b>decide</b> who needs to have the jab first</p>
	<p>At the moment there are <b>8 priority groups</b></p> <p>You can only have a jab at the moment if you are in one of these groups</p> <ul style="list-style-type: none"><li>■ people aged 80 years +</li><li>■ people aged 75 years +</li><li>■ people aged 70 years +</li><li>■ people living in a care home for adults aged 65+</li><li>■ staff working in care homes for people who are aged 65+</li><li>■ frontline health care workers</li><li>■ frontline social care workers</li><li>■ adults who the NHS says are very vulnerable</li></ul>
	<p>When it is <b>your turn</b> to have a jab you will be contacted in 1 of 2 ways .....</p>
	<p>You might get a letter, a phone call or a text from your own GP (doctor) inviting you to book an appointment at your own surgery or at another one that is close by</p>

	<p>.... or, you might get a <b>letter</b> from <b>NHS England</b> inviting you to book an appointment at a hospital, a pharmacy or at a large vaccination centre</p>
	<p>If you are <b>aged 70 years or over</b>, <u>or</u> if you are considered to be <b>clinically extremely vulnerable</b> you should have received an invitation to book an appointment already</p> <p>If you haven't, <b>this is what you should do:</b></p> <ul style="list-style-type: none"> <li>▪ you can now book an appointment <b>online</b> at <a href="http://www.nhs.uk/covid-vaccination">www.nhs.uk/covid-vaccination</a> <u>or</u></li> <li>▪ you can <b>call 119</b> (free), between 7am and 11pm. This line is open 7 days a week</li> </ul> <p>If you cannot book a convenient appointment you can call your own GP practice</p>
	<p>If you think you will have a <b>problem getting to your jab appointment</b> because:</p> <ul style="list-style-type: none"> <li>▪ you have a problem walking</li> <li>▪ you have special access needs</li> <li>▪ you don't have anyone who can drive you there</li> </ul> <p><b>Please tell us</b> this when you make your appointment</p>

## Where you will get your vaccinations

    	<p>There are currently <b>29 places</b> where you can go to get a <b>jab</b>. They are in:</p> <ul style="list-style-type: none"><li>■ Some <b>GP</b> practices</li><li>■ The 3 main <b>hospitals</b></li><li>■ <b>Large vaccination centres</b> such as Castle Mall Food Court, Norwich</li><li>■ Hayden <b>Chemist</b> in Lowestoft</li></ul> <p>All sites have <b>parking</b> and are <b>accessible</b> for people with <b>disabilities</b></p>
	<p><b>More places</b> to get a jab will become available in the coming weeks.</p> <p>No one should have to travel more than <b>10 miles</b> to get a vaccine.</p>
	<p>You may be offered a <b>choice</b> of place to go.</p> <p>If you are <b>invited</b> to make an appointment, please do it <b>quickly</b>.</p> <p>Or you may be <b>given an appointment</b> at a specific place.</p> <p>If you are then please make sure you go.</p>
