Hi everyone, Debbie has now started as our West Lothian coordinator! She's looked at the socials that were originally planned and unfortunately there are some that we have had to cancel due to her not being available. However, we have found some other events that we will be going along to instead. We've also added a mEAT UP for November!

**Tuesday 26th November  
mEAT UP  
6pm - 7:30pm  
Livingston - The New Yearfield**

By far the most popular Gig Buddies Scotland event. It continues to be a monthly event for West Lothian. This is a great event if you're looking to meet new people or find out more about Gig Buddies.  
We looking forward to seeing you there!

Stay up to date with our socials by following us on social media.
