what

What is Company Membership?

Company Membership gives people a chance to have a say in how their Thera company is run. A Company Member is a legal role in the company.

do

What do Company Members do?

- They decide who the Directors of their company will be.
- They choose the independent director for their company.
- They can change the rules of their company if they want to.
- These things mean that company members control their company.

why

Why be a Company Member?

- Have your say on the way your company is led and managed.
- Take part in enjoyable events and activities.
- Meet new people and make new friends.
- Work with us to help us achieve our vision.
