A word from managing director

Hello one and all and welcome to our January edition of **In the Loop!**

New Year, New Beginnings.

Dear Friends,

I hope you all had a wonderful time over Christmas and managed to avoid all the seasonal illnesses that seem to be doing the rounds. I had a cosy time at home with my sons overindulging on gastronomic treats and binge-watching telly. It was also a very reflective time as I looked back on our journey since I joined Equal Futures at the end of 2020 and everything we've achieved together. It's been an absolute privilege to work alongside you and support you, but it is now time for me to move on from Equal Futures and take up a fresh opportunity in the voluntary sector. I leave you in the very capable hands of our amazing Project Co-ordinators; Jane, Donna, Shona, and Stacey, while the Board considers recruiting. There will be no change to your service and the team will continue to attract new volunteers to deliver befriending and social support to even more people with a learning disability. I wish you and your loved ones all the very best for 2023 and beyond.

Thank you,

Jayne

A Message from the Board of Trustees

leave

Jayne Laidlaw, Managing Director of Equal Futures, will be leaving us at the end of February to take up a new position as CEO of a larger charity. Jayne has led Equal Futures with clarity and steadfastness through the pressures and constraints of the Covid-19 pandemic and, during her time with the charity, we have seen the number of people supported increase from eighteen to ninety-four. This was only possible through passionate strategic leadership and the hard work and determination of a highly motivated team of project co-ordinators and volunteers, dedicated to making a real difference to people in their own communities.

fundraising

Jayne leaves the charity in an improved position both financially and reputationally, having grown our income and our networks. Equal Futures recently secured grant awards from Alliance Scotland, the National Lottery and Communities Mental Health and Wellbeing Funds. Its fundraising strategy provides confidence of more of the same for the rest of this year and for the longer term, as we seek to support even more people supported and broaden the geography over which we work. Over the last two years, our team have established and nurtured new stakeholder relationships across the Central Belt and beyond and they will continue to serve our beneficiaries while we look to recruit.

thank you

We wish Jayne well in her new endeavour and thank her for her contribution to our continued success.

Equal Futures Board of Trustees

welcome

Introducing our new Project Coordinator Stacey Burgess.

I am the new project coordinator for Greater Glasgow. I am excited to be part of the Equal Futures team. I began my career in social care when I was 16 and have spent the last 16 years working with people with a learning disability and autism. I love working with people and helping make a difference in their lives. I have lots of experience working with people to access their local community. I have 3 young children who keep me very busy when I am not at work. When I do get some free time I love shopping, going out for meals and going away on family holidays.

Ayrshire & Glasgow Christmas Party.

party

It was the season to be jolly.

We held our Christmas party which was attended by our families from Ayrshire and Glasgow. The event was held in the Take a Bow Opportunity Centre in Kilmarnock which was kindly offered to us free of charge.

Santa

We were very lucky to receive a visit from James Hamilton Primary School Primary 7 class who performed some Christmas songs for us and certainly helped to get everyone in the Christmas spirit. We also played some party games and to top off the afternoon we received a visit from the main man himself, all the way from The North Pole.

Once again donations from local organisations and individuals helped make the day a success and we would like to extend our thanks to:

donation

Myra Bickerton at Greggs Cumnock for sausage rolls, mince pies and a delicious sponge cake.

Tommy & Gillian McBlain for donating selection boxes.

Sally Loy for donating mince pies and biscuits.

Edinburgh & Lothians – After Christmas Event.

group

A group of people we support in Edinburgh and Lothians came together to shrug off dull January and enjoy an afternoon get together of gaming. We were delighted when the Team at Boom Battle Bar, a newly opened activity game venue and bar, generously offered to throw a belated Christmas party for us. Game stations were booked for us so our guests could try a range of different activities, in their own time with no pressure. Adjustments were made to lighting and sound to make the environment as welcoming as possible for our gathering.

games

Our guests enjoyed trying their hands at augmented darts, Crazier golf, pool and Shuffle board.

Our group had an awesome time! Thank you to Boom Battle Bar, highly recommend a visit.

Contact the venue directly if you need their assistance when planning a session there.

New Befriending Match - Ayrshire.

Alistair lives in Ayrshire and has been a member of Equal Futures for sometime. Alistair has been keen to find a befriender with the same interests as him. Stephen recently joined us as a volunteer and was successfully matched with Alistair. After a few meetings they seemed to get on really well and had their first one to one outing last week. They have been discussing things they can do in the future, covering everything from a game of snooker to kayaking.

Everyone at Equal Futures is very excited to see what the future holds for this new befriending match.

Meet our new Volunteer Chris

volunteer

Hi, my name is Chris McFadden and I'm a new volunteer with Equal Futures.

I am an IT Manager within a central Government organisation based in Glasgow and have worked there for just over 19 years.

I live in the Southside of Glasgow and I'm married with 2 kids, 3 dogs, 2 chinchillas and a rabbit!

I don't have a lot of spare time as I'm also doing an Honours Degree in IT Management for Business, however I do like golf and watching football, movies, and listening to music (when I get time).

interest

I decided to volunteer as I've utilised various support services over the years to help me cope with grief and depression and I felt I was now in a good place to help others who may need it. I'm thoroughly looking forward to working with everyone at Equal Futures.

Alistair's trip to York.

trip

Alistair, from Ayr, celebrated his 50th Birthday in December with his Mother who had booked a weekend coach trip from Glasgow to York.

They stayed 2 nights in a grand house outside York which, interestingly was Government owned. Apart from the hotel the surrounding buildings are used as an emergency Training Centre. Here is Alistair recap of his break

museum

On Saturday, the coach dropped passengers off in York.

On arrival, we stopped en route, to buy a bag of hot roasted chestnuts. It had been a long time since we had tasted these. We then walked went straight to the Castle Museum. In particular I found the guide at the narrow Victorian Street really interesting and how dark the lighting was in general.

viking

Afterwards we headed on to the Jorvik Viking Centre.

The last time I visited here I was still at school. There were a few changes, like. a glass floor covering and some excavations (which was a bit dis-concerning to walk over). The ride was great seeing how the Vikings lived long ago. Another change, during this ride around the village, was the lack of odours (good and bad) from our last visit. A pity as we remembered this with amusement!

lunch

Early afternoon we walked around the crowded narrow streets, at a standstill at times with long queues for every shop, cafe and restaurants. However, we did find a crepe stall and a nearby mulled wine stall where we enjoyed our lunch.

celebrate

By mid afternoon, the crowds were increasing and it was with some relief we headed back to the coach.

Next morning we headed home stopping for lunch at the Moffat Woollen Mill. I really enjoyed doing 'something different' to celebrate his big birthday.

cooking

Cooking Companion.

Here is a lovely picture of Edinburgh and Lothians member Rosemary with her fabulous befriender Jacinta.

The icy weather outside this winter hasn't put this pair off spending some quality time together building their befriending relationship after being matched a few weeks ago.

Although the search for the perfect befriender may have taken longer than we hoped, I am certain the wait was absolutely worth it!

Rosemary and Jacinta have already spent time together planning an exciting list of activities and I can't wait to hear about all the adventures they will have in the coming months!

Good luck to the both of you on your befriending Journey.

good luck

Kilt walk

We are super excited to announce we are taking part in the kiltwalk again this year and we'd love you - our beneficiaries, families, volunteers, trustees and supporters to join us!

fun

The Kiltwalk is an amazing, fun day out and an excellent way to help us raise much needed funds for the magic work we do at Equal Futures. Taking part is easy-peasy and we will support you every step of the way, having a right good laugh together in the process.

accessible

Project Co-ordinators can help you to complete the registration form and Equal Futures will pay the registration fee. All we ask is that you tell all your friends and loved ones that you're taking part and ask them to sponsor you!

There's a range of different walks in the Kiltwalk and as a group we sign up to the Wee Wander, which is about 3 miles. It's accessible for wheelchair users and manageable for people who use walking aids.

There's free snacks and water at the start and free hot food at the end. There's also a beer for anyone who wants to stay on and party afterwards! Please join us this year at either the Glasgow or Edinburgh Kiltwalk. We promise you'll have a fantastic time!
