

We want the Gig Buddies Community to be a safe and fun environment. To make sure we achieve this vision we worked with our members to put together this 'Members Charter':

-  Aggressive, threatening, or hurtful language towards other members or staff is unacceptable.
-  Think before you speak.
-  Treat other members, volunteers, and staff with respect.
-  Think about who you're talking to and the language you are using.

Breaking any of these rules could result in you being given a warning. Depending on the severity, it may temporarily or permanently result in you being removed from the Gig Buddies Project.

Personal disputes between people cannot be dealt with by Gig Buddies staff members.

If you have any questions about the Gig Buddies Charter, please email us at Gigbuddies@thera.co.uk.
