Gig Buddies members told us what they thought of the DF Concerts gigs they went to...

“Young Fathers were great! We had a really good time. It was nice to meet up with sarah (Edinburgh volunteer) again. The support act were brilliant. I’d never heard of them before, yer man was rocking out an accordion!” - Neil, member.

“Thank you so much for the tickets...the seats were unbelievable, she was near the front and she loved JLS!” - Denna

**“Ru Pauls Drag Race was a brilliant night, it was brilliant seats close to the stage. I enjoyed the audience interaction, after the break the got a couple members of audience up to do lip scyning. I would recommend it, it’s a brilliant show”
- David, member.**

“My Gig Buddies highlight of 2023 was going to see Muse at Bellahouston Park with my Gig Buddy Fiona.” - Euan, member.

“Muse was completely amazing, such a good show. We had access to the platform too which was fab” - Fiona, volunteer.

“Bilal was very pleased that the band - Blue Violet was supporting Kula Shaker as he recognised them from Radio Scotland. He really wanted to meet them so we braved the crowds and had a chat with them. Kula Shaker were really good!” - Claire, volunteer.

“We had a great time at Charlatans, the band were really good and audience well up for it!”
- Alan, volunteer.

“My highlight of the year was going to Country to Country, it was my favourite gig.”
- Kirsty, member.
